

**Give The Gift Of A Smile This Holiday Season With Damon® Smile!**

**Description:** Tis' the season to be jolly! From fun with the family to shopping for the perfect gifts for your loved ones, there's bound to be plenty of holiday cheer to smile about this season. This year give the ultimate gift! Why not give someone special the gift of a smile this holiday season? Damon® Smile, a comfortable line of braces, is proven to improve smiles by straightening teeth and correcting bites, smile arcs and overall facial symmetry for smoother cheek contours and an enhanced facial profile. Additionally, the system is a convenient alternative to traditional braces, improving smiles in less time and with less frequent visits to the orthodontist. If you have someone in mind who would love a new smile, but might be hesitant to commit to metal braces, consider Damon Clear™, virtually invisible braces that offer discrete and aesthetically pleasing treatment.
